

Beschrijving en werking der mechanische onderdelen van de motor (cilinder, kleppen, carburator, zuiger, drijfstanen, krukas, vliegwiel, organen van de afkoeling en de smering, enz.);

Beschrijving en werking der onderdelen van de elektrische uitrusting: de dynamo, de accumulatore, de ontsteking, de inductieklos, de bougies;

Regeling van de kleppen, van de afstand van de ontsteking, van de afstand der elektroden der bougies;

Beschrijving en werking van de organen der transmissie van de motorische kracht op de wielen: de koppeling, de versnellingsbak, de transmissias, de achterbrug.

V. De bezoldiging bedraagt F 484 414 tot F 549 415 per jaar, plus bijslag schommelend met het indexcijfer, plus reglementaire vergoedingen.

Kunnen eventueel toegepast worden, de gecoördineerde wetten van 3 augustus 1919 en 27 mei 1947 betreffende oorlogsinvaliden en -wezen, oud-strijders, leden van het verzet, politieke gevangenen en krijgsgevangenen, weggevoerden, arbeidsweigeraars en andere slachtoffers van de oorlog, en de wetten betreffende het personeel van de kadets in Afrika, gecoördineerd op 21 mei 1984, met verzoek aan de kandidaten die op de door die wetten bepaalde voordelen aanspraak kunnen maken, dit in hun verzoekschrift te vermelden.

De kandidaten zullen tijdig bericht ontvangen aangaande datum, plaats en uur waarop het examen zal afgenomen worden.

(De pers wordt verzocht dit bericht over te nemen.)

36 punten op 60

Description et fonction des organes mécaniques du moteur (cylindres, soupapes, carburateur, pistons, bielles, vilebrequin, volant, organes de refroidissement et de graissage, etc.);

Description et fonction des organes de l'équipement électrique: la dynamo, les accumulateurs, l'allumeur, la bobine d'induction, les bougies;

Réglage des soupapes, de l'écartement de l'allumage, de l'écartement des électrodes des bougies;

Description et fonction des organes de transmission, de l'effort moteur aux roues: l'embrayage, la boîte de vitesses, l'arbre de transmission, le pont arrière.

36 points sur 60

V. La rémunération est de F 484 414 à F 549 415 par an, plus complément variant avec l'index, plus allocations réglementaires.

Eventuellement, applicabilité des lois coordonnées des 3 août 1919 et 27 mai 1947, relatives aux invalides et orphelins de guerre, anciens combattants, membres de la résistance, prisonniers politiques et prisonniers de guerre, déportés, réfractaires au travail et autres victimes de la guerre, et des lois relatives au personnel des cadres d'Afrique, coordonnées le 21 mai 1984, avec prière, pour les candidats pouvant se prévaloir des avantages prévus par ces lois, d'en faire mention sur leur requête.

Les candidats seront avisés en temps opportun du jour, de l'heure et de l'endroit où aura lieu l'examen.

(La presse est invitée à reproduire le présent avis.)

EXECUTIEVEN — EXÉCUTIFS

VLAAMSE GEMEENSCHAP — COMMUNAUTE FLAMANDE

MINISTERIE VAN DE VLAAMSE GEMEENSCHAP

7 NOVEMBER 1990. — Ministeriële oorzendbrief B.A.-g-90/13
betreffende vaststelling van de weddeschalen van het provincie- en gemeentepersoneel vanaf 1 november 1990

Aan de heren Gouverneurs,
de heer Vice-Gouverneur,

Voor kennisgeving:
de leden van de Bestendige Deputatie,
de Colleges van Burgemeesters en Schepenen,

Bij het intersectorieel akkoord van sociale programmatie van 3 juli 1990, gesloten in de Autonome Werkgroep Vlaamse Gemeenschap en Vlaams Gewest, werd beslist dat in de Regionale en Lokale Besturen van het Vlaamse Gewest de barema's verhoogd mogen worden.

In afwachting dat de weddeschalen bij koninklijk besluit worden vastgesteld, zal ik mij, voor wat de weddeschalen van het personeel van de Regionale en Lokale Besturen van het Vlaamse Gewest betreft, niet verzetten tegen weddeschalen die vanaf 1 november 1990 als volgt worden berekend:

1. De minimumwedde van de weddeschaal, zoals vastgelegd bij het koninklijk besluit van 25 juni 1990, wordt verhoogd met 2 % en afgerond volgens de klassieke afrondingsregel;
2. Vervolgens worden de verhogingen (cfr. koptabel) met 2 % verhoogd en afgerond volgens de klassieke afrondingsregel;
3. De weddeschaal wordt dan samengesteld met behulp van deze verhogingen, volgens de periodiciteit vermeld in de koptabel.

Opmerking: Deze werkwijze heeft tot gevolg dat het maximum niet exact 2 % hoger zal liggen.

De weddeschalen die niet opgenomen waren in het koninklijk besluit van 25 juni 1990 mogen volgens dezelfde regels verhoogd worden.

Ik zal mij ook niet verzetten tegen de verhoging van het bedrag van 37 025 frank naar 37 786 frank, waarmee de wedde verhoogd wordt van een ambtenaar die van een graad van weddegroep A naar een graad van weddegroep B bevorderd wordt.

Ook kan ik instemmen met een verhoging van de gewaarborgde minimumbezoldiging van 451 932 frank en 480 470 frank tot respectievelijk 460 971 frank en 489 679 frank.

In afwachting van een wijziging van de nieuwe gemeentewet ter zake, stem ik in met de verhoging van de weddeschalen van secretaris, adjunct-secretaris en ontvanger volgens de hierboven vermelde principes.

De weddeschalen worden vastgesteld in bijlage.

Ik verzoek u dit schrijven op te nemen in het eerstvolgende Bestuursmemoriaal.

Met de meeste hoogachting,

De Gemeenschapsminister van Binnenlandse Aangelegenheden
en Openbaar Ambt,
L. Van den Bossche.
